

how do I apply?

If you are a UCD student you can self enroll in the plan through your SISWEB account at <http://sisweb.ucdavis.edu> no later than the fee payment deadline. (Remember, the RFDPP is not available after that date.)

A preview of your installments and due dates will be displayed for you prior to accepting the plan. After acceptance you can view the detail in your SISWEB account summary.

Remember to pay any previous account balances with your total due for RFDPP to be qualified for the plan.

Consider linking to your *myBill* account (myBill.ucdavis.edu) and making your payment online.

Registration Fee Deferred Payment Plan

UC DAVIS

ONLINE ENROLLMENT

**quarterly
and
annual
options
available**

The Registration Fee Deferred Payment Plan (RFDPP) is designed to give students an opportunity to extend payment of their Registration Fees.

Two options exist for this plan. You may use the plan each quarter or apply once in the Fall for the entire academic year. The **annual plan** allows a student to pay fees monthly on a dependable schedule from September through May.

An application fee of \$25.00 per quarter or \$60.00 per year is charged to offset administration costs of the plan. This application fee is **nonrefundable**.

To enter the RFDPP using the quarterly option, you would pay at least one third of the fees for the current term no later than the fee payment deadline. If you choose the annual option, available only in the Fall, you'll pay at least one third of the Fall quarter fees by September 10th or no later than the fee payment deadline. The balance will be paid in installments according to the RFDPP option selected.

The RFDPP is **not available** for the Graduate School of Management Working Professional MBA Program.

how much can the plan cover?

The RFDPP allows a student to extend payment of the net registration fees. (net registration fees are the fees remaining after all credits such as fee waivers, grants, scholarships, fellowships, loans and other financial assistance have been applied.)

Students may elect to use the RFDPP whether or not they qualify for financial aid.

Previous account balances must also be paid by the fee payment deadline.

how do I make payments?

The amount approved for the quarterly RFDPP will be due on the 10th of the month as follows:

Fall quarter installments

will be due in September, October and November.

Winter quarter installments

will be due in December, January and February.

Spring quarter installments

will be due in March, April and May.

If you choose the annual RFDPP, your installments will be due

on the 10th of the month, September through May.

A late fee of \$10.00 will be charged per late installment.
